HOLIDAY HOMEWORK CLASS : II

Dear Students,

As the sun shines bright, it's time to relax, explore, and enjoy every moment of your summer break. Whether you're reading a book, playing outside, or discovering a new hobby, make the most of your holidays and create wonderful memories with family and friends.

While you enjoy your time off, please remember to complete your holiday homework. Balancing fun and learning will ensure you come back refreshed and ready for new opportunities.

HAVE A FANTASTIC AND SAFE SUMMER!

MATHEMATICS

Let's put on our creative thinking hat and make a forest / farm scene of our own dreams.

Draw the various geometrical shapes to make your own beautiful forest / farm scene in your 'Mathematics Notebook.'

Note: The samples are given for the reference.

ENGLISH

SUSTAINABLE EARTH "My Green Friend: Planet Blue How I Help the Earth Every Day"

Write 8 points for the above topic in your **'English Notebook.'**

Sustainability is about living in balance with nature and making choices that keep our planet healthy for the long term.

Let's understand Sustainability!

Topic: Quiz

Choose the correct option and write the answer with the question number in your **'English Notebook.'**

- What does "sustainability" mean?
 - Taking care of our planet for the future
 - Only using things one time
 - Eating lots of candy
- What can we do to help the Earth?
 - Throw trash on the ground
 - Recycle paper, plastic and cans
 - Waste water by leaving the faucet running
- Which of these is a way to save energy?
 - Leaving lights on when leaving the room
 - Turning off lights when leaving the room
 - Playing video games all day
- What can we plant to help the environment?
 - Trees and flowers
 - Candy and toys
 - Rocks and sticks
- Why is it important to recycle?
 - Because it's fun
 - Because it helps save resources and protects the Earth
 - Because it's boring
- What can we do to reduce waste?
 - Use things only once
 - Use reusable bags and bottles
 - Throw everything away after using it once
- How can we help animals and plants?
 - Cut down trees
 - Leave trash in their habitats
 - Keep their homes clean and safe
- What can we do to save water?
 - Leave the faucet running while brushing your teeth
 - Take long showers every day
 - Turn off the faucet when not in use
- What is an example of reusing something?
 - Throwing away old toys
 - Using a lunchbox instead of a disposable bag
 - Buying new toys everyday
- Why should we take care of our planet?
 - Because it's the only one we have
 - Because it's someone else's job
 - Because it doesn't matter

HINDI

1. हिंदी सुलेख पुस्तिका के पृष्ठ 6 से 16 तक पूरा कीजिए ।
2. अपनी पाठ्य पुस्तक ज्ञानलोक के पाठ 'आओ वृक्ष लगाएँ' से पाँच पेड़ों के नाम लिखकर उनके चित्र अपनी कक्षा कार्य पुस्तिका में बनाइए।

EVS

Activity: Create your own environmental superhero.

Instructions:

Draw and colour a picture of your superhero.

Write a short story about how your superhero helps protect the environment.

What special powers does he have? Do the same in your 'EVS Notebook.'

Happy
Summer
