HOLIDAY HOMEWORK CLASS : III

Dear Students,

As the sun shines bright, it's time to relax, explore, and enjoy every moment of your summer break. Whether you're reading a book, playing outside, or discovering a new hobby, make the most of your holidays and create wonderful memories with family and friends.

While you enjoy your time off, please remember to complete your holiday homework. Balancing fun and learning will ensure you come back refreshed and ready for new opportunities.

HAVE A FANTASTIC AND SAFE SUMMER!

ENGLISH

1. Write a paragraph on 'Reuse Filtered Water for a Greener Tomorrow'. Draw or Paste a picture of a filter.

To be done in English Notebook. (50-80 words)

2. Students are supposed to collect old clothes / some dry snacks (chips, chocolates, biscuits and candies) / stationery items and donate at children's home. Take a picture with the children and paste it on an art sheet with the reflection on insights gained from the experience.

MATHEMATICS

1. Electric vehicles are reducing emissions of greenhouse gases, improving air quality, boosting energy efficiency, reducing the amount of noise pollution and stimulating the growth of sustainable development, all of which contributes to a future that is cleaner, healthier, and more sustainable for all of us. **Note down the registration numbers of atleast five electric vehicles seen near your residential area.**

- Arrange all the registration numbers in ascending and descending order.
- Write the number names of all the registration numbers.
- Paste the pictures of the logos of any three companies that manufacture electric vehicles in India and label them.

Note:

Holiday Homework to be done in the **Mathematics Practice Notebook**.

1. Learn Tables 2-15.
2. Mathematics Workbook page no.47, 50 and 62 to be completed.

SOCIAL SCIENCE

Sustainable Kanpur

‘Sustainability Starts with You and Me’

Topic-Reducing Pollution

- Imagine if you were to become the “Cleanliness Fairy” or “Cleanliness Angel” for a day, how would you use your magical powers to make our Kanpur cleaner and greener. Let your imagination fly and draw a poster.

Note –

- Holiday Homework to be done in Art sheet.
- Draw or paste the pictures and label them neatly.
- Use Pencil colours/Crayons/ Sketch Pens.
- Write your name, scholar number, class and section at the bottom.

Refer to the example (images) given above.

HINDI

1. सुलेख (पृष्ठ 73,74) हिंदी अभ्यास पुस्तिका में पूरा कीजिए ।
2. अपठित गद्यांश (हिंदी अभ्यास पुस्तिका पृष्ठ 59, 60) में पूरा कीजिए ।
3. पानी हमारे जीवन के लिए अति आवश्यक है। पानी की बरबादी को हम कैसे रोक सकते हैं ? इस विषय पर 5 पंक्तियाँ अपनी रचनात्मकता द्वारा हिंदी की कॉपी (Notebook) में लिखिए।
4. पानी से संबंधित एक स्लोगन लिखिए । (इस कार्य को अपनी रचनात्मकता द्वारा सुंदर तरीके से आर्ट शीट में कीजिए)

SCIENCE

‘Plant Your Dreams and Let Them Grow.’

Plants are nature’s gift as they are beneficial for us in many ways. They play a significant role in our lives. Without plants, there would be no more life existing on Earth. So, let’s **adopt a plant** and take care of it in order to save our planet.

Steps to Perform the Activity-

1. Take an earthen pot and clean it properly.
2. Take some seeds of any plant that are easily available.
3. Put some soil in the pot, along with the seed, and water it properly.
4. Don’t forget to water it regularly.
5. After some days, you will witness a sapling with a small stem.
6. The stem will then grow into branches and leaves will start coming out.
7. Along with green leaves, you will see buds and flowers growing from the plant.
8. Decorate your earthen pot and place it in your balcony and carry it to the school after the Summer break.

THANK YOU FOR HELPING ME GROW

Happy
Summer
